**Fall semester days/dates will be added in
September through November for additional test
practice and review before the Fall test dates.**

ACT/SAT/PSAT Courses (grades 10-12):

These workshops will increase the student's knowledge of the academic material covered on college admissions tests and develop the critical thinking, reading, and test-taking skills needed to achieve higher scores. **Homework practice will be assigned.**

Any additional course requirements?

All students must obtain and bring to class a copy of **David McCullough's *John Adams***. This excellent biography will provide the additional reading support we require for the students in our program. Additional books will be suggested during the course.

Where are the Academic Enrichment Camps held?

All courses are held at the **Academic Coaching Center at 8375 W Flamingo Rd, Ste. 101, 89147. [In the Juliet Bldg. near Cimarron/DMV]**. The Center provides a comfortable educational environment with technological and research materials available.

What enrollment options are available?

Each group course is strictly limited to 8 students to ensure individualized attention and academic progress. Early enrollment is strongly encouraged. Registration opens March 1, 2024.

How do students/families register for ACS programs?

Our courses, designed for rising juniors, seniors [and advanced sophomores] who have currently **completed Algebra 2 or higher**, will feature comprehensive test prep in all subject areas (Reading, English, Math, Writing, & ACT Science). This program includes the summer workshop hours AND additional Fall test review in Sept-Nov. prior to the national test dates. Register for all enrichment programs by calling **Academic Coaching Services, 702-876-3000**, or emailing to: [academicoaching@yahoo.com].

What are the course fees?

Extended ACT/SAT/PSAT Course (40+ hrs. instruction during summer plus 20+ plus hrs practice testing & review in the Fall) costs \$0-250 depending on financial need. [Our customary cost is usually \$1800 per student.] Students receiving discounted fees MUST agree to attend all scheduled sessions. Discounts are normally provided for families who have incomes below \$90K and limited financial assets.

Does ACS offer individual test prep/tutoring?

ACS provides individualized test prep for students who are unavailable for summer workshops for a fee. Those students who have previously taken or who may have completed previous test prep and now desire targeted assistance with specific areas of the ACT or SAT test sections. Cost: \$75-95/hr. per student.
